ASSIGNED COMMISSIONER'S RULING EXTENDING THE DEADLINE FOR FILING THE ENERGY SAVINGS ASSISTANCE AND CALIFORNIA ALTERNATE RATES FOR ENERGY PROGRAMS AND BUDGETS APPLICATIONS FOR 2015 - 2017

This ruling extends the deadline for Southern California Edison Company, Pacific Gas and Electric Company, Southern California Gas Company, and San Diego Gas & Electric Company (collectively, the IOUs) to file their Energy Savings Assistance and California Alternate Rates for Energy Programs and Budgets applications for 2015 - 2017 until after a final Phase II decision is issued.

Decision (D.) 12-08-044 established a deadline for the IOUs to file their applications by July 1, 2014 (D.12-08-044, Ordering Paragraph 146). The proposed Phase II decision of Administrative Law Judge (ALJ) Kim, which is on the Commission Agenda, addresses the timing of the IOU applications. However, given that the current filing deadline is approaching fast, on June 17, 2014, the IOUs sent an email to the service list and requested an extension of time until after the issuance of a final Phase II decision for the IOUs to file their

applications. The Commission has delegated the authority to modify the dates set in D.12-08-044 to the assigned Commissioner and ALJ (D.12-08-044, Ordering Paragraph 142). Accordingly, I extend the deadline for the IOUs to file their Energy Savings Assistance and California Alternate Rates for Energy Programs and Budgets applications for 2015 - 2017 until a final Phase II decision is issued. A new due date will be determined in the Phase II decision, but that date will be approximately 90 days after the final decision is issued.

IT IS RULED that:

The deadline for Southern California Edison Company, Pacific Gas and Electric Company, Southern California Gas Company, and San Diego Gas & Electric Company to file their Energy Savings Assistance and California Alternate Rates for Energy Programs and Budgets applications for 2015 - 2017 is extended until after a final Phase II decision is issued in this proceeding. A new due date will be determined in the Phase II decision, but that date will be approximately 90 days after the final decision is issued.

Dated June 19, 2014, at San Francisco, California.
